What did people say?

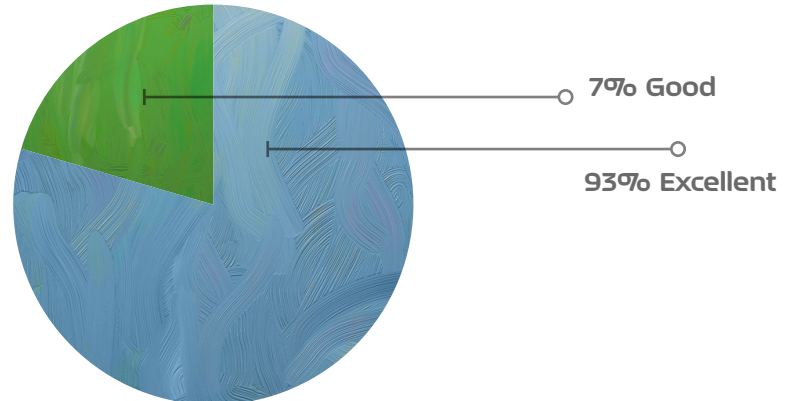

- Presentation for Day one of teachers only day 2021
- Thank you for putting this together in such a clear, easily. implemented
- Well spoken., likeable, knowledgeable, flexible - doubles his time on short notice
- Ken was high energy, knowledgeable and thought provoking
- Ken brings his authenticity and realism to our season. excellent research & presentation. Ken Acknowledge our staff and read staff very well.
- Very engaging, funny and excellent delivery
- Ken was fun, insightful & light hearted in his delivery of some incredible information. I took so much out of this morning. I would really love to do some more workshops. Such important topics were covered. Well needed in today's society and times.
- Very personable loved the stories. Great sense of humour
- I loved the stories and other little bits Ken added to keep us entertained and having a laugh. It was great i was focussed and learnt lots the whole time. I loved learning about how p.e can help as that is my favourite subject so a great excuse to do it more!!
- Ken is a really engaging presenter. Lots of great and diverse scenarios shared. Non judgemental & open to thoughts & ideas Lots of interesting & thoughtful provoking material
- Very relational and great examples. Reflective on how the session was going and responding accordingly.
- Thank you for the way you related stories and anecdotes quotes and research and i'm inspired to see how my attitude/habits change.
- I really enjoyed the session. you were engaging knowledgeable and passionate about the subject. thank you!
- It was very engaging, relatable and gave tools that can be transferred from teaching to parenting! A good practical course that will definitely help this year.

What did people say?

- Thank you Ken for your interesting and useful presentation with great tips: I really liked the incorporation of personal anecdotes that helped illustrate & highlight ideas and make them more memorable.
- Was good using stories and personal experiences, great practicality physical
- Informative and useful. I like the practical side of things and the 'take-away' documents to make personal goals. I need to create some more Deep Joy moments
- You have a warm persona and I thoroughly enjoyed your presentation. It was very insightful
- Although I've heard a lot of this over the years especially from the pulpit it has been brilliant that you put it all together and synthesised the information into a succinct and easily digested package
- Really encouraging and inspiring
- Relatable, passionate, relevant, Thank you!
- Passion, knowledgeable, Research
- Thankyou for reminding me how we are supposed to live and giving the tools
- Really well done and relevant. Thank Ken!
- Interactive, Enthusiastic, Passionate, Infectious and biblical world view
- It was an inspirational and "how to's" balance. Thank you
- Fantastic
- Helpful, Proactive, inspiring, motivational
- Thank you very good advice!
- Great idea for running on a family weekend camp for growth, goal setting, teaching that to support; bond & grow together
- Thanks for your honesty in sharing and content really good. Would love to learn more.
